## DAY 05 KATHMANDU

( Breakfast/ Lunch/ Dinner )

After breakfast, proceed to Swayambhunath Stupa (UNESCO World Heritage Site), also known as "Monkey temple" The temple charms with its great dazzling Stupa, while at the same time, offering a view of Kathmandu city. The two-thousand year-old Stupa is the most profound expression of Buddhist symbolism in Nepal. There's evidence to believe the hill was used for animist rites even before Buddhism arrived in the valley two thousand years ago. Our next destination is Patan Durbar Square (UNESCO World Heritage Site). Patan Durbar Square complex is perhaps the most photographed of the three durbar squares. Located in the heart of Patan city, this was once the palace of the kings of Patan. The square is a display of Newari architecture that had reached its pinnacle during the reign of Malla kings who were great builders and patrons of the arts. After Patan durbar square visit to Khokana. Khokana is a small Newari Village located just 6 kilometers from Patan. Khokana is a small village in which traditional craftsmanship still takes an important role. Villagers can often be seen spinning, winnowing and crushing mustard seeds. Especially the latter is what Khokana is most famous for, it's mustard oil. The village has a broad street leading into its center. On the left side the three storied Shree Rudrayani temple can be seen. After exploring Khokana we will walk to Bungmati. This is an approximately 15 minutes' walk through on the road dividing the agricultural land. Bungmati, just like Khokana, is a Newari village where traditional life still can be seen. The village houses the typical Newari buildings and has an interesting main square where one can view the Ganesh Temple and the Machhindranath Temple. In the evening, attend a farewell dinner with cultural show.
